Evangelist Estus W. Pirkle

What Will Horses Do?

This message by Estus Pirkle is a plea for Christians in America to repent of their sins and return to God or else the Communists will be permitted to overrun America. He gives alarming facts about what Communists do to people whom they enslave and startling statements from outstanding religious and national leaders who believe the Communists will be in power in America in 1972 unless God intervenes. The only basis on which we can expect God to intervene is 2 Chron. 7:14.

The Blue Ridge Park Baptist Church of Memphis, Tennessee and its pastor F.E. Moffitt are responsible for the production of this album. After this message was preached in their church, they voted to support the publication of this album.

SPECIAL NOTICE

A book (200 pages or more) entitled "Preachers In Space" by Estus W. Pirkle is available to you.

. . . the STAR, which they saw in the east, went before them till it came and stood over where the young child was. Matt. 2:9
Ye who turn judgement to wormwood, and leave off righteousness in the earth, Seek him that maketh the SEVEN STARS and ORION. Amos 5:7-8

And God said, Let there be LIGHTS in the firmament of the heaven . . . and let them be FOR SIGNS. Gen. 1:14

When I consider thy heavens, the work of thy fingers, the moon and the stars, WHICH THOU HAST ORDAINED. Psa. 8:3

The above verses from the Bible tell us that the stars in the sky were put there to point men and women to Jesus Christ. There are 48 constellations or signs who point Him out as they fulfill their job as ordained "space preachers." In his book, Mr. Pirkle begins with the North Star which is the only star that the naked eye never sees move and is a perfect type of the Lord Jesus Christ who is the same yesterday, today and forever. (Heb. 13:8) From there he points out the constellations that preach about God's invitation to be saved, about the devil, the Good Shepherd, God the Father, the Holy Spirit, the cross, the Resurrection, the Second Coming of Jesus and the messages of a dozen more constellations.

There are over 30 star charts in this book to help the reader to find these constellations while watching them from his back yard. This book will be over 200 pages in length and will retail for \$4.25.

1. Wintertime

The Wintertime message was originally preached at Camp Zion by Evangelist Estus Pirkle, in 1966. Camp Zion meets three times a year: the week following the fourth Sunday in January, the week of July 4th and the week following the 2nd Sunday in August. The only cost for an entire week is \$1.00 reservation fee and 50c for insurance. For further information write: Dr. Percy Ray, Myrtle Baptist Church Myrtle, Mississippi.

2. America Take Heed to God's Roar

Using Amos 5:7-8 as the text, Mr. Pirkle makes a parallel between Isreal of old and America of today to show that God's favorable attitude toward America seems to have changed in America during the past 15 years and that unless our attitude toward God changes, His warning cries will turn into a deluge of judgement such as we have never known.

3. Will You Stand In The Gap?

This message is based on Isaiah 22:1 - 19 and Ezekiel 22:23-31. It shows that America's destruction could be prevented if God can find enough Christians who will take their stand for Him. This album points out specific things that a Christian can do to help make the difference.
