**HEAR** Ragtime Cowboy Stefan tell how his wonderful feet – his steamin' hot puppies, he calls 'em – only went bad on him once. But that once was when he needed them most, just as he was going out the window with the cops after him. 'Hot Dogs' is a record you'll get a big kick out of.

Ragtime Cowboy Stefan Grossman plays on his guitar and keeps time with his feet – you can hear his 'dogs' tapping as he sings and plays. Ask your dealer for Transatlantic TRA 257.
